

CERTIFICATE OF EXPERIENCE

To Whom It May Concern

This is to certify that **Mr. Vicky Kumar, S/O Mr. Sovinder Mahto**, successfully completed his internship as a **MERN Stack Developer Intern** at **Navix Consultancy Services** from September 2024 to February 2025.

During the internship period, he was actively involved in the development and maintenance of web applications using the MERN Stack (MongoDB, Express.js, React.js, and Node.js). He demonstrated a quick learning ability and effectively applied his skills in real-world projects.

As a **MERN Stack Intern**, he gained hands-on experience in the following areas:

- Developing and maintaining web applications using the MERN Stack
- Writing clean and efficient JavaScript code
- Designing and managing NoSQL databases using MongoDB
- Creating RESTful APIs and integrating third-party services
- Deploying web applications using AWS services
- Working with version control systems such as Git

He worked collaboratively with the development team, met project deadlines responsibly, and showed a proactive attitude toward problem-solving. His ability to adapt quickly, communicate effectively, and remain committed to quality made him a valuable part of the team during his internship.

We appreciate his contributions during the internship and wish him all the best in his future professional journey.

We wish best of luck for future.

Regards

For Navix Consultancy Services
